

AUSTRALASIAN ASSOCIATION OF BIOETHICS AND HEALTH LAW CONFERENCE

MANAWA, CHRISTCHURCH – ŌTAUTAHĪ/AOTEAROA
NEW ZEALAND, 7-9 DECEMBER 2025

PROGRAMME

This programme may be subject to change (updated 28/11/25)
Venue is Manawa, 276 Antigua Street, Christchurch unless otherwise stated

Bb Bellberry Limited
supporting research and ethics

Saturday 6 December 2025

Time	Session	Location
12:30 - 17:00	Registration Desk Opens	Foyer, Ground Floor
13:00 - 17:00	Clinical Ethics Interest Group Meeting (optional, ticketed)	Room 301, Floor 3

Sunday 7 December 2025

Time	Session	Location
08:00 onwards	Registration	Foyer, Ground Floor
08:50 - 09:15	Official Welcome Mihi Whakatau Welcome: Lynley Anderson, Co-Convenor AABHL Organising Committee 2025 Prizegiving: Wendy Lipworth, President AABHL	Main Conference Room
09:15 - 10:15	Keynote Presentation 1: Vikki Entwistle - Taking bioethics to the funeral directors?	Main Conference Room
10:15 - 10:45	Morning Tea	Room 102 Floor 1

Sunday 7 December 2025 (contd)

10:45 - 12:20	Concurrent Session A						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
Theme	Genetics & Genomics	Panel - Australian Law Reform Commission	Clinical Ethics	Research Ethics & Regulation	Medical Law	Panel - Universities in Crisis	Technology, AI & Data Ethics
10:45 - 11:05	Personal values, professional responsibilities and non-invasive prenatal screening: Reflections of genetic counsellors in Australia Chanelle Warton id#1883	Shaping the future of Australian Surrogacy and Human Tissue Law: the ALRC's proposals for reform Maeghan Toews & Ronli Sifris id#2058	Confusion of Consent For Therapeutic Treatment In Incapacitated Patients Lavina Choie id#1951	Can a HREC be a focus of relationality? Research ethics education at Victoria University Deborah Zion id#1856	Beyond Bolam: Should India revisit its stand? Venkata Joga Rao Sripada id#2020	Universities in crisis: how can, and should, bioethics respond? Stacy Carter, Chris Degeling, Vikki Entwistle, Lynley Anderson id#2025	Regulatory silence in the clinic: The case for oversight of AI scribes in Australian healthcare Megan Pictor id#1871
11:10 - 11:30	Democratic public involvement and social license: Building legitimacy for genomics research in Singapore Hui Jin HJ Toh id#1879	Australian Law Reform Commission id#2058 Contd	Alcohol and drug clinician perspectives on the blame/rescue trap: A qualitative study Mary Jean Walker id#1990	Should research ethics committees defer to generative artificial intelligence in rendering ethical judgements? Joel Seah id#1995	Expert evidence: Relevancy and appreciation in civil medical negligence cases of India Yashwant Prasad Sripada id#2002	Panel id#2025 Contd	Rest in peace the written assessment: Changing landscape of ethics assessment in higher education Jacqueline Savard id#2009
11:35 - 11:55	Reframing genetic discrimination in health insurance Harisan Nasir id#1992	Australian Law Reform Commission id#2058 Contd	Medical certificates – navigating diagnosis, dilemmas, and demands Kanny Ooi id#2028	Advance research planning as a response to consent challenges in research involving adults lacking capacity Victoria Shepherd id#1909	Prohibiting health practitioners from initiating discussion about assisted dying: a rights-based analysis Jeanne Snelling id#1913	Panel id#2025 Contd	The psychological impacts of implantable brain-computer interfaces on human agency and autonomy Frederic Gilbert id#1948

Sunday 7 December 2025 (contd)

10:45 - 12:20	Concurrent Session A						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
<i>Theme</i>	<i>Genetics & Genomics</i>	<i>Panel - Australian Law Commission</i>	<i>Clinical Ethics</i>	<i>Research Ethics & Regulation</i>	<i>Medical Law</i>	<i>Panel - Universities in Crisis</i>	<i>Technology, AI & Data Ethics</i>
12:00 – 12:20	From moratorium to justice: Towards comprehensive genetic discrimination law G. Owen Schaefer <i>id#1919</i>	Australian Law Reform Commission <i>id#2058</i> Contd	Applying zoroastrian virtue ethics in clinical medicine to address epistemic injustice and ethical marginalisation Sepanta Sadafi <i>id#1847</i>	From local to best practices: Registries as responsibility enablers in stem cell research Rachel Ankeny <i>id#2047</i>	Indonesia's National Health Insurance Scheme (JKN)'s revised emergency regulation: balancing triage efficiency and healthcare equity Rachmadini Nastiti <i>id#1916</i>	Panel <i>id#2025</i> Contd	Reasonable expectations of privacy in common law and statute: supporting or undermining trustworthy health governance? Mark Taylor <i>id#1953</i>
12:20 – 13:20	Lunch						Room 102 Floor 1
13:20 – 14:55	Concurrent Session B						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
<i>Theme</i>	<i>End of Life Ethics & Decision-Making</i>	<i>Workshop - Health Equity and Justice</i>	<i>Global Health</i>	<i>Genetics & Genomics</i>	<i>Medical Law</i>	<i>Panel - Research Ethics & Regulation</i>	<i>Technology, AI & Data Ethics</i>
13:20 – 13:40	What does an equitable assisted dying service look like? Jessica Young <i>id#1868</i>	Just transitions in antimicrobial resistance Calvin Ho Tess Johnson Phaik Yeong Cheah Susan Bull <i>id#2010</i>	The precautionary principle in the common law tradition, with emphasis on COVID-19 Hai Doan <i>id#1875</i>	Confidence creep: A creep you want to watch out for Isabelle Ford <i>id#1954</i>	Assessing capacity under the new Mental Health Act: Which principles should apply? Alison Douglass <i>id#2005</i>	PLATIPUS pregnancy and neonatal clinical trials: when are alternative modes or processes of consent appropriate? Amir Zayegh Emma Forrest Angela Ballantyne Nicola Austin <i>id#1963</i>	Strengthening the public interest test in commercial genomic AI research: Trustworthiness-based Disclosure requirements Yingyi Luo <i>id#1939</i>

Sunday 7 December 2025 (contd)

13:20 – 14:55	Concurrent Session B						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
Theme	<i>End of Life Ethics & Decision-Making</i>	<i>Workshop - Health Equity and Justice</i>	<i>Global Health</i>	<i>Genetics & Genomics</i>	<i>Medical Law</i>	<i>Panel - Research Ethics & Regulation</i>	<i>Technology, AI & Data Ethics</i>
13:45 – 14:05	Twenty-two types of autonomy: which should we value at the end of life? Ian Maddox id#1889	Workshop id#2010 Contd	Cultural safety in medicine: Intersectional realities of racially and ethnically minoritised women doctors in Australia Ifeoluwa Adesina id#1924	What is good parenting in an age of genomics? Josephine Johnston id#2029	A discussion on research ethics approval and low-risk research on end of life care Wendy Muircroft id#1997	Panel id#1963 Contd	The role of ethics committees under the Health Information Privacy Code Dana Wensley id#1929
14:10 – 14:30	The meaning and usage of hope in advanced cancer: a comparative discourse analysis Mollie Wilson id#1944	Workshop id#2010 Contd	Between universality and cultural safety: Challenging ethical passivism in global bioethics Ehsan Shamsi Gooshki id#1825	Should adult-onset or untreatable conditions be reported in genomic newborn screening programs? Gabriel Watts id#2041	Navigating Australia's illicit tobacco laws – A case for greater consistency between jurisdictions Michaela Okninski id#2053	Panel id#1963 Contd	Healthcare AI: what patients need to know about it? Rita Matulionyte id#1859
14:35 – 14:55		Workshop id#2010 Contd		Twenty seven years on – could there be an intellectual property anticommens in genome editing? Dianne Nicol id#1885	Regulating medical interventions on children with innate variations of sex characteristics (IVSC), or intersex variations Aileen Kennedy id#2011	Panel id#1963 Contd	What can the Luddite movement teach us about governance of artificial intelligence in healthcare? Melissa McCradden id#1952
14:55 – 15:25	Afternoon Tea						Room 102 Floor 1

Sunday 7 December 2025 (contd)

15:25 – 17:00	Concurrent Session C						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
Theme	<i>Health Equity & Justice</i>	<i>Professional Ethics</i>	<i>Clinical Ethics</i>	<i>Reproductive Ethics</i>	<i>Workshop - Global Health</i>	<i>Workshop - Research Ethics & Regulation</i>	<i>Technology, AI & Data Ethics</i>
15:25 – 15:45	Phenomenology of humiliation and violence in healthcare Supriya Subramani <i>id#2013</i>	Health disparities and social injustices among Malaysia's marginalized population: Perspectives from Islamic justice and ethics Siti Noraida Mohamad Habibullah <i>id#1834</i>	Consent for teaching. How to learn to care for people who lack capacity Ben Gray <i>id#1945</i>	Max Charlesworth Student Essay Prize Winner: The moral principles of gamete donor screening Laura Socorro <i>id#2054</i>	Monash-Otago-WPRO workshop on equity in the WHO pandemic agreement Calvin Ho, Karinne Ludlow, Gabrielle Wolf, Elizabeth Fenton, Emma Anderson, Mengji Chen, Julianne O'Rourke <i>id#2016</i>	Is Aotearoa's Research Ethics System Fit For Purpose? Josephine Johnston, Lindsey MacDonald, Hannah Neal, Monique Jonas <i>id#1925</i>	Data trusts for health research: Lessons from the 'Born in Scotland Data Trust' project Jessica Bell <i>id#1941</i>
15:50 – 16:10	Epistemic injustice in health research: from study underrepresentation to global marginalisation John Noel Viana <i>id#2035</i>	Selective conscientious objection: Track 1 and Track 2 Medical Assistance in Dying (MAiD) in Canada Nathan Emmerich <i>id#1907</i>	Nudging as informing Clint Hurshman <i>id#1968</i>	Pregnancy should not be classified as a disease: a normative argument Taryn Knox <i>id#1867</i>	Workshop <i>id#2016</i> Contd	Workshop <i>id#1925</i> Contd	What must we consider when sharing health-data with police? Evidence from the UK COVID-19 experience Vittoria Porta <i>id#1872</i>
16:15 – 16:35	Understanding law as a determinant of health: The example of abortion care Michael Thomson <i>id#1922</i>	A scoping review of pharmacy ethics Keegan Lin <i>id#1905</i>	Clinical metagenomics: ethical issues Tess Johnson <i>id#1836</i>	A monopsony for commercial surrogacy: ethics and attitudes Rong (Vivian) Jin <i>id#1865</i>	Workshop <i>id#2016</i> Contd	Workshop <i>id#1925</i> Contd	Safe, effective and affordable digital health for all: how regulation and policy influences this vision Anna Janssen <i>id#1886</i>

Sunday 7 December 2025 (contd)							
15:25 – 17:00	Concurrent Session C						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
<i>Theme</i>	<i>Health Equity & Justice</i>	<i>Professional Ethics</i>	<i>Clinical Ethics</i>	<i>Reproductive Ethics</i>	<i>Workshop - Global Health</i>	<i>Workshop - Research Ethics & Regulation</i>	<i>Technology, AI & Data Ethics</i>
16:40 – 17:00	John McPhee Student Essay Prize Winner: Could the pandemic treaty solve the problem of pharmaceutical R&D? Ronald Tundang <i>id#1933</i>	Developing a better targeted virtue ethics approach to medical regulation Justin Oakley <i>id#1878</i>	The collaborative model of the physician-patient relationship: Revisiting Emanuel and Emanuel Kathryn Muyskens <i>id#1816</i>	IVF mix ups: Who are the “real” parents? Sinead Prince <i>id#1869</i>	Workshop <i>id#2016</i> Contd	Workshop <i>id#1925</i> Contd	Algorithmic invasiveness in cosmetic surgery mobile apps: an online experimental survey of public’s moral intuitions Yves Saint James Aquino <i>id#1858</i>
17:00 – 18:30	Conference Welcome Function						1st Floor
19:00 - 20:30	Journal of Bioethical Inquiry Welcome Drinks - Pegasus Arms Hotel, 14 Oxford Terrace						

Monday 8 December 2025		
Time	Session	Location
08:00 – 08:45	Registration	Foyer, Ground Floor
08:40 – 08:45	Welcome & Housekeeping	Main Conference Room
08:45 – 09:45	Keynote Presentation 2: Alex John London - Justice and the unhealthy ecosystem of AI in health	Main Conference Room

Monday 8 December 2025 (contd)

09:50 – 11:00	Stream Sessions						
	Room No 106		Room No 107	Room No 108	Room No 109	Main Conference Room	
	Public Health, Ethics, Law & Policy Chaired by Elizabeth Fenton and Chris Degeling Nepalese and Indonesian policymakers' views on the ethics of protecting children from air pollution Fiona McDonald <i>id#1829</i> Australia's landmark alcohol and pregnancy warning labels: successes, limitations and lessons for the future Paula O'Brien <i>id#1985</i>		Empirical Ethics That's not real philosophy: Navigating interdisciplinary journeys in empirical bioethics Chaired by Yves Saint Aquino and Hilary Bowman-Smart <i>id#2055</i>	Students/Early Career The Hiring Games: Tips for Job Hunting Post-PhD and Beyond Chaired by Sara Attinger <i>id#1987</i>	Clinical Ethics Chaired by Nathan Emmerich Making Room for Blame in Just Safety Culture Hojjat Soofi <i>id#2003</i> Is all defensive medicine morally impermissible? Mapping the ethical spectrum Sylvia Sherborne <i>id#1895</i>	Research Ethics & Innovation Chaired by Janine Duckworth Decision support tools for harm-benefit analysis of animal experiments David Azilagbetor <i>id#1837</i>	
11:00 – 11:30	Morning Tea					Room 102 Floor 1	
11:30 – 13:05	Concurrent Session D						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
Theme	End of Life Ethics & Decision-Making	Medical Law	Workshop - Research Ethics & Regulation	Clinical Ethics	Research Ethics & Regulation	Health Equity & Justice	Technology, AI & Data Ethics
11:30 – 11:50	Voluntary assisted dying: Challenges in NT remote Aboriginal communities Geetanjali Lamba <i>id#1975</i>	An ethico-legal framework for defensible healthcare decision-making in the public interest Zahra Jaffer <i>id#1908</i>	Using general practice data for research: ethical and legal conundrums for privacy and confidentiality Annette Braunack-Mayer, Carolyn Adams, Yves Saint James Aquino, Justin Beilby, Mark Taylor <i>id#1892</i>	Death by a thousand paper cuts? Clinical ethics in primary care Melissa Drinkwater & Tania Moerenhout <i>id#1855</i>	Assessing risk thresholds in Controlled Human Infection Models (CHIM) Alexa Nord Bronzyk <i>id#1848</i>	Pretty places and pandemics: ethico-aesthetic obligations? Diego Silva <i>id#2056</i>	Doing ethics with AI: Can LLMS be “junior authors” on bioethics papers? Brian D. Earp <i>id#1977</i>

Monday 8 December 2025 (contd)

11:30 – 13:05	Concurrent Session D						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
Theme	<i>End of Life Ethics & Decision-Making</i>	<i>Medical Law</i>	<i>Workshop - Research Ethics & Regulation</i>	<i>Clinical Ethics</i>	<i>Research Ethics & Regulation</i>	<i>Health Equity & Justice</i>	<i>Technology, AI & Data Ethics</i>
11:55 – 12:15	Best practice model for integrating assisted dying into the healthcare system: what's working well? Aida Dehkhoda id#1882	Pushing for choice: On written informed consent at vaginal birth Harsha Ananthram id#2044	Workshop id#1892 Contd	Reframing clinical ethics consultations with the Bio-Psychosocial-Spiritual (BPSS) model Ranitha Govindasamy id#1974	Breaking data linkage barriers: Understanding impediments to routinely updating clinical quality registries with administrative data Lauran Davis id#2030	Placing bioethics: heterotopias and the challenge to liberal placelessness Christopher Mayes id#2057	Exploring health professionals' challenges, and responsibility in the use of AI clinical tools Kuen Yei Chin id#1887
12:20 – 12:40	A conflict of duties? Navigating the tension between assisted dying and suicide prevention Max Lough id#2038	The oversight of off-label prescriptions: recent developments in Singapore Tracey Chan id#2037	Workshop id#1892 Contd	A study on the establishment regulations and care ethics of long-term care Institutions in Taiwan Wan- Tsui Chiang id#2049	HREC decision-making and data sharing in clinical research: Improving review through shared ethical debate Rebekah McWhirter & Lisa Eckstein id#1901	Plucking the petals: Dissecting value claims in gene therapy funding decisions Siun Gallagher id#1911	The new right to be let alone: Ethical and legal challenges of emotional recognition technology Chao-Tien (Cindy) Chang id#2023
12:45 – 13:05	Definitions, context, religious ethics, and the Legalization of assisted dying: An international view Md Sanwar Siraj id#1839	Disagreement between parents in consent for paediatric post-mortem organ donation Casey Nottage id#1900	Workshop id#1892 Contd	When the past is the present: considering artificial intelligence and the retrograde plunge in dementia Andrew Wheaton id#1899	Plastic, health, and harm: when 'life in plastic' isn't so fantastic Beth Tippet id#1962	On old age – A relational account of agency and meaning in later life Xavier Symons id#2045	Weight loss, clear skin, and sick notes: the patient as customer in digital health Hilary Bowman-Smart id#1914
13:05 – 14:00	Lunch						Room 102 Floor 1

Monday 8 December 2025 (contd)

13:15 – 14:00

Lunch Stream Networking

Room 301

The Teaching Ethics Stream welcomes current and new members to come along to join a conversation about the impact of Artificial Intelligence (AI) on assessment in ethics. The stream leaders will also summarise the streams activities in 2025, including plans for the future.

14:00 – 15:00

Keynote Presentation 3:

Main Conference Room

Esther Willing - Barry Smith Lecture - Reflecting on our worldviews, values and ethical practices

15:00 – 16:10	Concurrent Session E						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
Theme	<i>Health Equity & Justice</i>	<i>Reproductive Ethics & Law</i>	<i>Research Ethics & Regulation</i>	<i>Clinical Ethics</i>	<i>Global Health</i>	<i>Mixed</i>	<i>Technology, AI & Data Ethics</i>
15:00 – 15:20	Indigenous children and their right to healthcare services - Reflections from Karnataka, India Jyotsna Sripada <i>id#2017</i>	Foetal alcohol spectrum disorder and the moral responsibilities of mothers: Why vulnerability matters Courtney McMahon <i>id#1861</i>	Facilitating access to general practice data for research in Australia: The need for legal reform Carolyn Adams <i>id#2018</i>	Doctor-Speak™: Medical habitus, epistemic injustice, and the ethical imperative to reclaim narrative dignity in clinical language Hazera Akan <i>id#1973</i>	Life-course approach to healthy longevity & the future of preventative medicine Henry Dobson <i>id#1918</i>	Does decision-making capacity assessment have a future? Neil Pickering <i>id#2004</i>	Does mandatory contribution of medical records for research use violate the moral right to privacy? Tianxiang Lan <i>id#1842</i>
15:25 – 15:45	Relational and distributive justice and fair prioritisation of healthcare resources Monique Jonas <i>id#2022</i>	What matters most: A legal-ethical analysis of active enquiries in obstetric care Shanee Katz <i>id#1840</i>	Research ethics preparedness: lessons for the next pandemic Susan Bull <i>id#1967</i>		Assigning accountabilities: Australian public perceptions of who is responsible for what in a future pandemic Chris Degeling <i>id#1831</i>	Autonomy, self-rule and decision-making capacity: a Spinozistic view Simon Walker <i>id#2040</i>	What's missing in companion bots James Edgar Lim <i>id#1930</i>

Monday 8 December 2025 (contd)							
15:00 – 16:10	Concurrent Session E						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
<i>Theme</i>	<i>Health Equity & Justice</i>	<i>Reproductive Ethics & Law</i>	<i>Research Ethics & Regulation</i>	<i>Clinical Ethics</i>	<i>Global Health</i>	<i>Mental Health</i>	<i>Technology, AI & Data Ethics</i>
15:50 – 16:10	Addressing perceived genetic discrimination for stronger legal protections and enhanced public awareness Shizuko Takahashi <i>id#1904</i>	Exhuming Dolly's corpse: Reproductive cloning after SCNT Julian Koplin <i>id#1969</i>	Beyond patient preference: Challenging epistemic authority in evidence-based medicine Anson Fehross & Wendy Lipworth <i>id#1965</i>		Beyond self-interest and crisis: A cosmopolitan approach to global health Emma Anderson <i>id#1903</i>	The (mis)use of moral panic in public health Elizabeth Fenton <i>id#1991</i>	Experiences with AI scribes in New Zealand primary care Angela Ballantyne <i>id#2014</i>
16:10 – 16:40	Afternoon Tea					Room 102 Floor 1	
16:30 – 18:00	AABHL Annual General Meeting					Main Conference Room	
18:00 – 19:00	Launch: A Guide To Getting Started In Empirical (Bio)ethics – Presented by the Empirical Ethics and Student/Early Career Research Streams Raupo Room (entrance at Atawhai Café, The Kind Foundation) 4 Rolleston Avenue Convenors: Nina Roxburgh, Hilary Bowman-Smart, Yves Saint James Aquino, Supriya Subramani, Sara Attinger					Raupo Room (entrance at Atawhai Café, The Kind Foundation) 4 Rolleston Avenue	
19:30 – 22:30	Conference Dinner (optional, ticketed)					Ilex Café – Botanic Gardens	

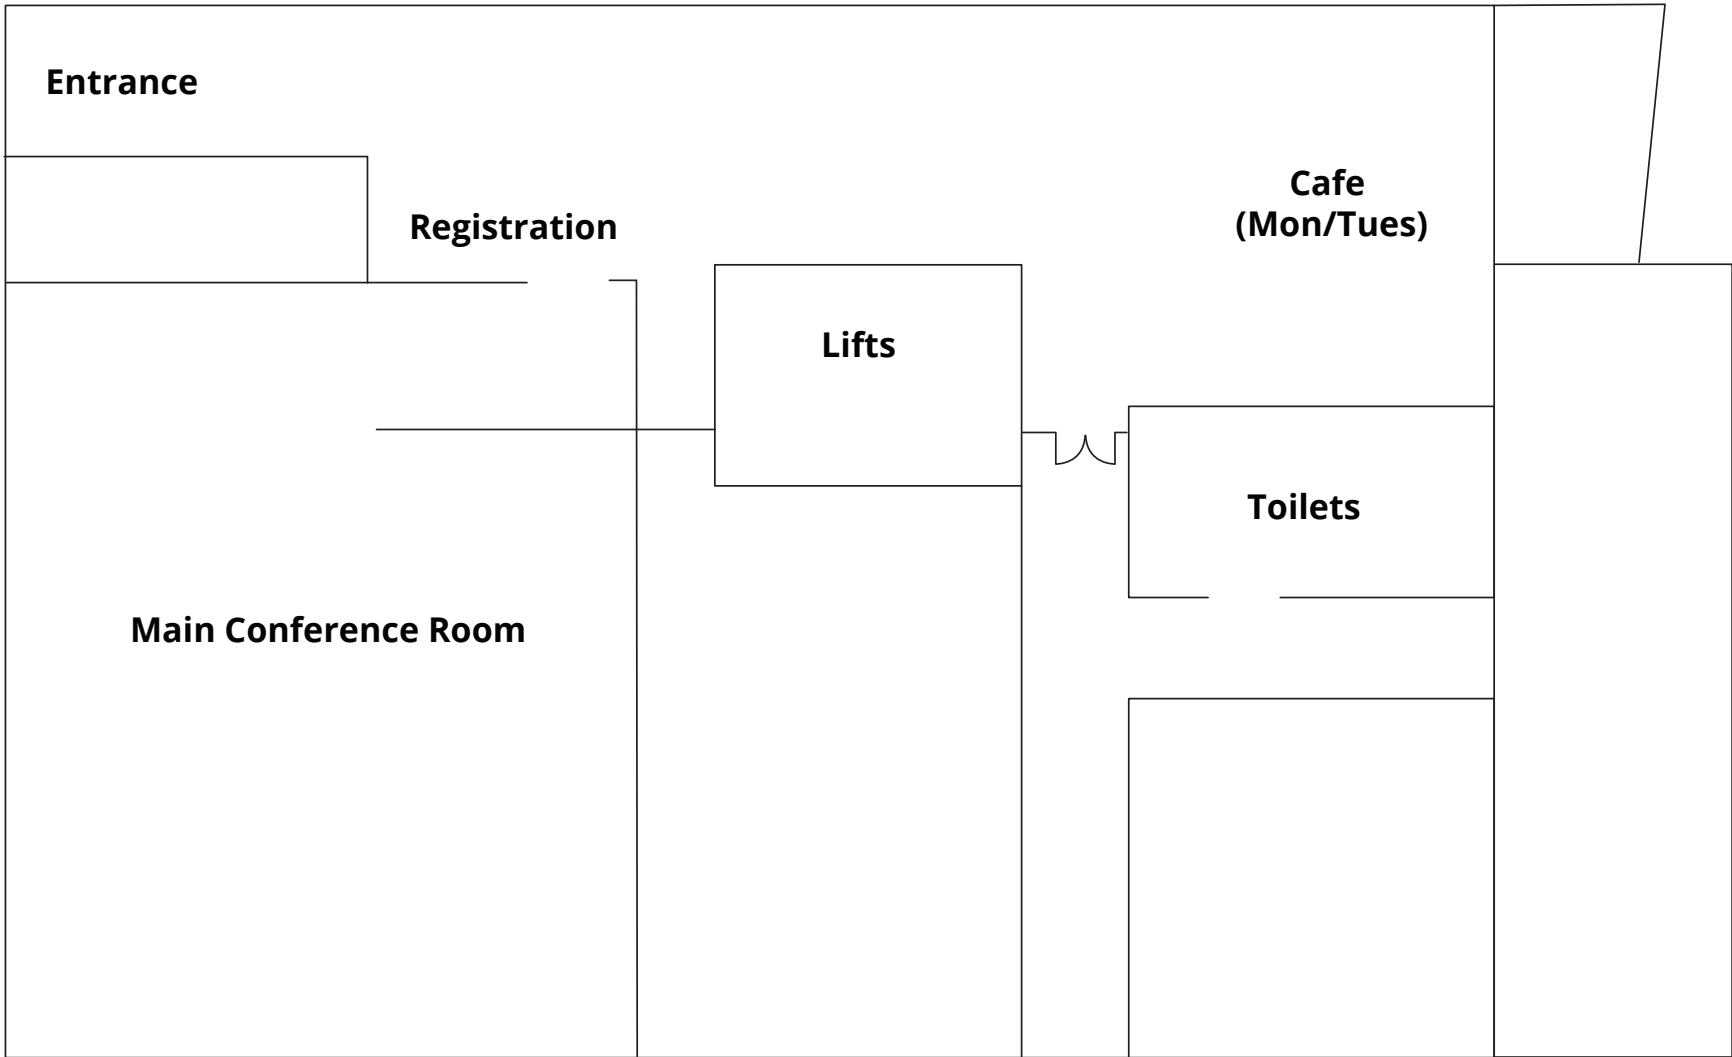

Tuesday 9 December 2025

Time	Session						Location
08:30 – 09:00	Registration						Foyer, Ground Floor
09:00 – 09:05	Welcome & Housekeeping						Main Conference Room
09:05 – 10:05	Keynote Presentation 4: Kirby Oration: Justice David Collins - Dying to get out						Main Conference Room
10:05 – 10:35	Morning Tea						Room 102 Floor 1
10:35 – 12:10	Concurrent Session F						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
<i>Theme</i>	<i>Genetics & Genomics</i>	<i>Mixed</i>	<i>Workshop - Research Ethics & Regulation</i>	<i>Health Equity & Justice</i>	<i>Clinical Ethics</i>	<i>Workshop - Reproductive Ethics & Law</i>	<i>Technology, AI & Data Ethics</i>
10:35 – 10:55	The National Australian Citizens' Jury on using genomics in newborn bloodspot screening Stacy Carter <i>id#1984</i>	Divided minds, divided ethics: A meta-ethical framework grounded in hemisphere theory Hugh Brosnahan <i>id#2039</i>	Philosophical perspectives on A.J. London's Egalitarian Research Imperative Anantharaman Muralidharan, David Hunter, Angela Ballantyne, Alex J London <i>id#1870</i>	High-cost gene therapies and the law of the public purse: who decides and who pays? Sara Attinger <i>id#1949</i>	Regulating homebirths - Continuity, consent & catastrophe Liz Sutton <i>id#2042</i>	Scientific evidence in reproductive ethics: epigenetics and procreative responsibility Catherine Mills, Courtney McMahon, Isabelle Ford, Kylie Valentine <i>id#2032</i>	What does AI optimisation mean for the farmer? Megan Moss <i>id#1958</i>
11:00 – 11:20	Omics Data Beyond Borders addressing legal issues in cross-border genomic data-sharing with scenario-based analysis Ainsley Newson <i>id#2008</i>	Eating meat, drinking milk, mRNA vaccination and selective mistrust Jane Williams <i>id#1950</i>	Workshop <i>id#1870</i> Contd	Ethics of anticipated regret and gender-affirming care for young people James Lyons <i>id#1902</i>	Beyond guidelines: reclaiming ethical responsibility in primary care genomics Isabella Holmes <i>id#1946</i>	Workshop <i>id#2032</i> Contd	Personalized patient preference predictors, being-towards-death and human autonomy Zachary Daus <i>id#2046</i>

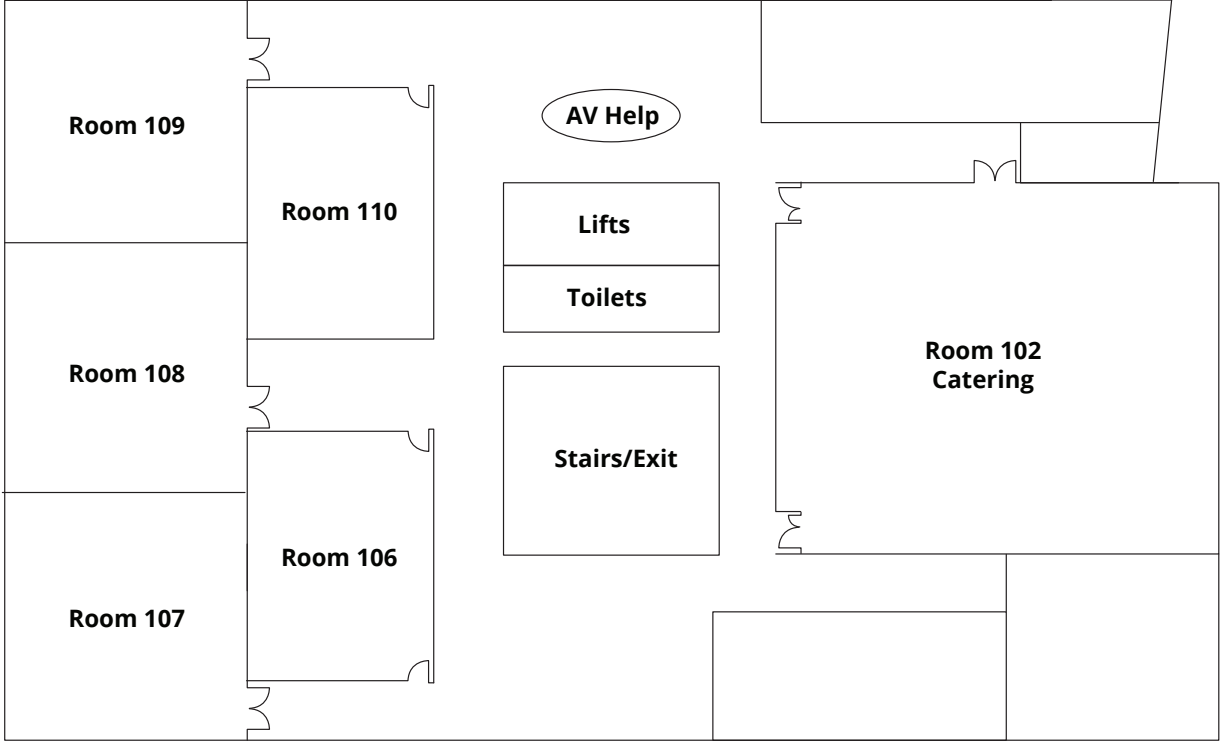

Tuesday 9 December 2025 (contd)							
10:35 – 12:10	Concurrent Session F						
	Room 106	Room 107	Room 108	Room 109	Room 110	Room 301	Main Conference Room
<i>Theme</i>	<i>Genetics & Genomics</i>	<i>Mixed</i>	<i>Workshop - Research Ethics & Regulation</i>	<i>Health Equity & Justice</i>	<i>Clinical Ethics</i>	<i>Workshop - Reproductive Ethics & Law</i>	<i>Technology, AI & Data Ethics</i>
11:25 – 11:45	Legal privacy protections of shared genomic data in international research collaborations – ‘transplants’ or ‘irritants’? Minna Paltiel <i>id#2048</i>	Towards clarifying healthcare’s duty to minimise its environmental impacts Bridget Pratt <i>id#1927</i>	Workshop <i>id#1870</i> Contd	The ethics of risk and vaccines: A scoping review of the literature Kari Pahlman <i>id#1926</i>	Does the relational nature of genetic risk demand new clinical mechanisms and professional responsibilities? Joey Mackle <i>id#2007</i>	Workshop <i>id#2032</i> Contd	Transparency fallacy: Insights from clinicians on the safe use of medical AI Tatiana Aranovich & Rita Matulionyte <i>id#1844</i>
11:50 – 12:10			Workshop <i>id#1870</i> Contd	Reform of guardianship and administration laws in Western Australia: The value of community voices Meredith Blake <i>id#2036</i>	Translational bioethics as preventive ethics Teck Chuan Voo <i>id#1942</i>	Workshop <i>id#2032</i> Contd	
12:10 – 12:50	Keynote Presentation 5: Jo Prendergast - Laughter is the best medicine - Cancer, communication and comedy						Main Conference Room
12:50 – 13:00	Closing / Announcement of 2026 Conference						Main Conference Room
13:00 – 14:00	Lunch						Room 102 Floor 1
